**ASSESSMENT CRITERIA FOR THE ENTRANCE TEST
IN INFORMATICS AND ICT**

Criteria for evaluating the performance of each type of examination task on a 100-point scale in case of successful and unsatisfactory completion of the entrance examinations. Entries in the draft are not taken into account when assessing the work. The points received by you for the completed tasks are summarized.

Tasks are scored with different numbers of points depending on their type.

Completion of each task of Part 1 is assessed with 1 mark. The Part 1 task is considered completed when the examinee has given an answer that matches the correct answer code. Each task is awarded either 0 points ("task not completed") or 1 point ("task completed").

The maximum number of primary scores that can be obtained for completing Part 1 tasks is 23.

Completion of Part 2 tasks is assessed from 0 to 4 points. Answers to Part 1 and Part 2 tasks are checked and evaluated by experts. The maximum number of points that can be obtained for completing Part 2 tasks is 12.

The total number of tasks is 27, including 23 tasks in Part 1 and 4 tasks in Part 2.
