System of Assessment of Examination Works in English

## Part 1

Maximum score for the entrance examination is 100 points.

Minimum possible entrance examination score is determined by the requirements separately set by KFU for each educational program.

The entrance examination is considered not passed if an applicant's result is lower than the minimum possible score of the entrance examination determined by the requirements of the KFU educational program.

Upon decision of the Examination Board, international applicants may use the results of the Malaysian University English Test (MUET). MUET is one of the main English language examinations in Malaysia accepted for admission to first degree programs in public universities and higher education institutions. MUET was brought in line with the Common European Framework of Reference for Languages (CEFR). MUET results are recognized by the university as the results of entrance examinations conducted by the university independently. KFU establishes the correspondence of the level of the submitted certificate to the scores for internal entrance examination as follows:

Certificate Level	Entrance Examination Score
MUET Level: 2.5	30 points
(A2 Level (Elementary Plus))	
MUET Level: 3.0	50 points
(B1 Level (Pre-Intermediate))	
MUET Level: 3.5	60 points
(B1+ Level (Intermediate))	
MUET Level: 4.0	70 points
(B2 Level (Upper-Intermediate))	
MUET Level: 4.5	80 points
(B2+ Level (Upper-Intermediate Plus))	
MUET Level: 5.0	90 points
(C1 Level (Advanced))	
MUET Level: 5+	95 points
(C1+ Level (Advanced Plus))
